

Professional Disc Jockey Services
Wedding Entertainment Package

Why Should you hire Modern Entertainment for your wedding ?

Your Wedding package includes a free private consultation where your DJ will meticulously go through every aspect of your Wedding celebration with you until you are completely satisfied! Rest assured you will meet the same DJ that will be performing your wedding as opposed to getting the DJ of the day with others! You can trust that a stranger with speakers will not show up with a folder of information about you on your wedding day! Our Wedding DJ's are committed to getting to know their Brides & Grooms and forming a working relationship with you and your fiancé. We will build a knowledge and understanding of the type of personality you are and will be flexible in adapting to the type of personality you are seeking out of your DJ.

All of Our DJ's share a common philosophy: Play the right music at the right time, and people will dance. We do not pass out props, tell jokes, wear costumes, play games, or teach line dances. The focus is on creating the right mix for your event without making the DJ the main focus. We value your input when it comes to musical requests, and we strictly adhere to your "Play" and "Do Not Play" lists. Our DJ's use state of the art laptop and speaker systems, and carry sufficient backup equipment to every event. Our extensive music libraries ensure that we will have all the music you and your guests want to hear, no matter the era or style. Our DJ's have performed at over 300 venues throughout New England. No matter where your event may be, chances are, we've been there before!

This is your wedding day, a day you've dreamed about and thought about since your childhood! When you are sitting at your wedding reception looking fabulous in your Wedding Dress/Tuxedo surrounded by very close family and friends the last thing you are going to think about or want to worry about is if your DJ is late, unprepared, inexperienced or having equipment problems is what price you paid for them! We here at Modern Entertainment take great pride in what we do and we are true real professionals, not an amateurs or someone who downloads illegal songs off the Internet and then uses someone else's equipment or goes to Guitar Center with a charge card and walks out a "DJ". I said it once and I'll say it again, beware of the discount DJ! This is your wedding day not theirs!!! Don't let them use your wedding as a stage in which to practice and gain experience upon!

Based on the National Average, most people spend about 30% of their budget on music for their special event! If you think about it, music is one of the most important factors of your event, yet is only 30% of your budget.

If you are looking for a reasonable price from a company who will provide you with personal service, attention to detail, and someone who will actually help you (especially when planning a wedding reception), then don't hesitate, give us a call!

** Signed contract is required along with a non-refundable \$100.00 deposit to hold and reserve the date.

Sincerely Yours,

Paul R. Bazdanes

References

Videos & Pictures can be deceiving. When you fill out an application they ask for references, why wouldn't you do the same when looking to hire your Wedding DJ?

Please feel free to contact any of our references below and ask about how we conducted services for their special day!

Paul was always extremely professional and very enthusiastic. He and his team were always going all the way to meet our expectations to our exact needs. We are extremely satisfied with their services and would strongly recommend them to others we know are getting married. At the wedding, they did an amazing job and were great in keeping people on the dance floor throughout the evening! Even my mom was dancing..... Everybody had such a great time! I think a lot of things go into a successful wedding, but we could not ask for anything more from a DJ service.

David Jung & Monica Gostissa gostissa@gmail.com

We loved Modern Entertainment and would always go to 6B lounge in Boston to dance our pants off on 80's night. We loved them so much in fact that we HAD to hire them to play at our wedding (August 6th, Castleton)! It was so great! They did slow jams for dinner and a little bit of slow dancing...followed by 80s dance party with a little bit of top 40 at the end of the night to seal the deal. SO perfect and SO professional. 2 thumbs up! Thanks again Modern Entertainment

Alex & Kate Stern [hamiltonk25@gmail.com!](mailto:hamiltonk25@gmail.com)

Modern entertainment was the best part of our wedding. Paul was right on top of everything. We enjoyed his company and felt like we have been friends for years. We definitely will be referring him to others. His prices we very affordable especially for all the work and set up he did for us. No one left the the dance floor all night. We had a blast! Thank you Paul from the bottom of our hearts :)

Patrick & Mandy McGuinness mandygomez11@comcast.net

I was thrilled with the dj service that I received from Modern Entertainment. I met with Paul prior to my wedding reception and was pleased to find him friendly and professional. He listened to my music choices and answered all of my questions. I felt confident that he would provide a great night of music and dancing for a crowd of all ages. He checked in with me throughout the night to make sure that I was happy with his service. I knew that his main priority was my satisfaction. I will absolutely hire Paul and Modern Entertainment for my next function.

Chris Oldfield cgoldfield@hotmail.com

Modern Entertainment is absolutely the best at what they do!! I can't even begin to express how happy my husband and I were with their services & flexibility! The music was just as I expected, Our DJ was extremely professional to our guests and we received many compliments. It was the best service I could have imagined for my special day! We love you guys and enjoyed working with you. We couldn't have asked for better and we look forward to working with you in the future!

Tony & Tanya Medina blanquita1108@yahoo.com

Holly Ruskey 978-761-3277

Short & Sweet.... Modern Entertainment went the absolute extra mile to make our day a success! They met with us numerous times, answered and fielded all of our phone calls and were on top of things from day one! We would highly recommend them to anyone thinking of creating that special atmosphere for your special day! We could not have had the success without you guys. Simply the best!

Robin Doyle 978-876-5119

Our wedding was perfect and Modern Entertainment made it so much fun for everyone there! Our guests told us more than once they had not been to such a fun wedding in years. Modern Entertainment couldn't have been a more perfect fit for our wedding. With so many different age groups we were amazed how they were able to keep the dance floor full all night long. Thank you so much for making our wedding so much fun!

Mark & Ann Saunders ann-sullivan@msn.com

Hello there! I just have to say that Keith and I could not be happier. There was a ton of dancing going on and it was a great time had by everybody that was at our wedding! We were very pleased with Modern Entertainment for all of the incredible services they provided. Our DJ was great through the entire process. He went above and beyond our expectations. We would recommend these guys in a heartbeat. Just also wanted to give a special thanks to our DJ for the last minute duct tape fix for the "wardrobe malfunction!" Now that's thinking on your feet!

Mr. & Mrs. Keith & Leah Sullivan sulkei@metpipe.com

PERFECT!! I'm a teacher and don't use that word often, but we by the talent we saw and experienced with Modern Entertainment! Our DJ took the time to listen to all of our concerns and helped us all the way. On the day of the wedding he was there early and was beyond expectations! I enjoyed the music as well as my guests! The service wasn't good, it was absolutely fantastic! Our DJ's were very professional and did their job very well. They made sure me and my husband were enjoying our time. I only left the dance floor once and that was to fix my dress. I could go on forever so I'll end by saying THANK YOU IT WAS A NIGHT WE WILL NEVER FORGET!

Mr. & Mrs. Michael & Tayla Timpe tmtimpe@comcast.net

Our Wedding Turned out PERFECTLY!! DJ Paul was very professional and without him the night would not have been a success. We are glad we found him at such a reasonable price and such EXCELLENT service. We will definitely recommend him and use his services again!

David & Tammy Dodge tammyt112@yahoo.com

We were very impressed with Paul from the very first meeting! He is very professional, and has a great personality! He was fun to work with and always had great suggestions. We would recommend him in a heartbeat! There were a lot of songs we weren't sure of like the cake cutting song, garter tossing song etc. and again, Paul had great ideas that fit perfectly! The day of the wedding he and his team were there before any of our guests which was even earlier than we expected! Throughout the night he kept things moving so that we could have the rest of the night to dance and enjoy the party! The music was perfect, we weren't able to get all of our selections to him until the night before our wedding and he still pulled off getting all of our music on!

Paul was the perfect DJ for us, he was so accommodating & really took the time to make sure he played what WE wanted and what would go well with our likes & dislikes. Paul was very easy to work with, you could tell he enjoys what he does, and wanted us to be happy with everything. We had a GREAT reception and everyone had a good time. Paul certainly knows how to keep people entertained!

Mr. Ryan & Kathleen Gora Kconn_22@yahoo.com

Hey Paul, Now that the dust has settled and my daughter has graduated and we are all still in one piece, I wanted to tell you how wonderful your brother and his friend were (both you and your brother have wonderful spirits, your mother must be proud). The music was Awesome and both of them were awesome as well! Thanks for making her night one to remember. You guys are the best!

Pastor Michelle GradyHigginbottom@comcast.net

Thanks to Modern Entertainment, my wedding was fabulous! The music was great, everything went very smoothly! They absolutely made my wedding a huge success. The music played was perfect thanks to their help and extensive music library. Everyone danced and had such an awesome time. I have already used them for another event since my wedding and would definitely recommend them to everyone I know!

Billy & Bryanna bryanna14@hotmail.com

The event went so smoothly! Everybody loved the range of music and we were all impressed by their ability to blend so many different types of music seamlessly! Our DJ was very helpful and made us feel at ease. They were right on time and quick to get things moving along. They were extremely polite to all us and all of our guests. They delivered a perfect mix of all the types of music we selected and again did an excellent job of integrating a few types of music and themes. They somehow manage to please a tough Jewish/Persian/American crowd. Their prices were absolutely fair, they took care of everything and we would definitely recommend using their services!

Mr. & Mrs. Farshid Pourmoussa mlifeset@yahoo.com

Paul was the BOMB!

Paul & his crew were VERY professional and did a fantastic job. I never had to worry about any of the entertainment details; everything that was discussed was flawlessly delivered at our wedding! We had a fantastic time! We love you Paul!

Also, thank you so much for the projector and bringing the lights - they absolutely MADE the room come together so nicely. We received so many compliments, and Ma & Dad were in heaven for their special evening... Dianne Travaglini dtrav2001@yahoo.com

Hello Everyone!

Just wanted to say thank you for a perfectly executed wedding performance! Everything was just as we asked and that's because you worked with us from day one, fielding all of our phone calls and answering our questions and speaking to our concerns. All of our guests had a wonderful time, and spoke very highly of you. In a word, you absolutely made our wedding come together. Thanks again and if you need a reference I would like to be at the top of your list!

Lenny & Deborah Prepas Dabbles06@comcast.net

Thanks a million for doing such an amazing Job at Eddy Patty's Wedding! Everyone was asking where and how I found you guys! You truly made this the best wedding ever for my Daughter & her fiancé! I will be sure to pass your name along to others who may be in need of a DJ for their wedding. Everything was absolutely flawless down to the bouquet toss! Again an absolutely amazing job I can't begin to thank you enough!

Janet Fournier janetlynn60@hotmail.com

Dear Paul,

I apologize that it has taken me a week to write to you. It has been quite hectic getting through the wedding and now that it is FINALLY over I have been playing catch up with everything else. I didn't want you to think that you and Charlie were forgotten. I want you to know that you both did such a wonderful job. I have to be honest in saying that your work was absolutely the best part about our wedding. It was amazing how much could go wrong when you're planning such a special day, but you guys really came through for us. From the moment I arrived you were nothing but attentive. Whether you know it or not, you helped to put me at ease. I am certainly recommending you to everyone I know. Thank you for making our day even more special.

Tammy Lee Noonan 978-446-0245

I would like to keep this simple and sweet Just as we asked you to do for our Wedding! We absolutely loved you guys! Paul you and your team were the reason we all had fun and loved your idea of the Foxwoods theme for the centerpieces, very original. Hate to admit this but you were right about the dollar dance! It almost paid for our flight (1 way). Our wedding was awesome, thanks!!

Robin & Julio 978-455-2830

Hey Mr. DJ!!

I wanted to say thanks for putting together an amazing itinerary of music and events. Thank you for making us feel comfortable about having things our way! I must admit with some DJs we talked to over the phone made us feel like a number, and you were nice enough to come and meet us at our convenience. Everything was A+! You get two thumbs up. Our niece is getting married in 2010 and we are going to highly recommend her to you! Would you be willing to travel to Foxborough? Thanks again for everything!

Nathan & Stephanie Davis Ndavis80@yahoo.com

Paul, First I want to thank you for sending us such a wonderful DJ that constantly kept putting all of us at ease at a most hectic & frustrating time! Our guests felt as though he could read their minds when it came to music. BRAVO!! Nice touch when the crying started!! He was able to get everyone refocused and laughing!! Thanks so much. If it weren't for him things could have gotten ugly for us. We love you guys and would recommend you to anyone!

Joanne Bertolino MomJoann3@aol.com

Paul,

OUR DJ, was an amazing DJ! He did everything we asked of him and much more! He was very respectful, and made our wedding perfect! We have given his name to everyone we know looking for a DJ. He has a wonderful personality and we loved everything he did and our guests enjoyed everything!

Donna & Kevin LaPointe 978-677-1734 & 978-677-1713

Paul I'll keep it short & sweet!

You guys did an ABSOLUTE AWESOME job!! Your team was there an hour early that made us feel great, and the way they interacted with the crowd and did the karaoke was incredible! If you ever need a reference don't hesitate!!

Abbie Wonderly Swonderly@gmail.com

Hey there you guys!

You and your team brought interaction to the dance floor! You participated with the parties on a level that made them comfortable to even get onto the dance floor! Showing dance moves to throwing out party hats. After the party was over my daughter told us that "The music was great and the DJ's were really cool!" HUGE HUGE SUCCESS THANK YOU!

Kelly Mahoney KellyM@hmisinc.com

Every year we are so glad you are in charge of the entertainment! Every Christmas party we have such an awesome time with you guys! Some of friends were talking and would like to hire you for some of their private parties that are coming up, and that's because you always seem to get the music just right no matter what party we have seen you at! I will continue to refer you to anyone looking for entertainment! Thanks for always making our Christmas parties great!

Mary Morse (978)-667-2166

Good day Paul,

Many blessings to you and yours! We couldn't have done it without you guys! I was so happy that your team was there before we even got there and were set up basically waiting for our arrival, and they were very polite to and catered completely to all of our needs. I like that you were careful to check with us for any changes that we had, that shows me you are adaptable to change. The music was great and we would recommend your team without hesitation to anyone. You guys are the first company that I know of that will come out to your house and sit with you for as long as it takes to make sure you are pleased with the music and that your wishes are carried out. I was VERY impressed. Thank you both for contributing to the wedding, you truly shaped it and made it what it was - beautiful! You all are like our brothers from another mother! We absolutely loved your spirit, can't say enough!

Pastor Michelle Higgenbottom GradyHigginbottom@comcast.net

Paul and his team were very professional and totally exceeded our expectations. They paid attention to every detail of our ceremony and did an overall amazing job for us. We were extremely happy with our DJ and have in fact booked them for our company Christmas Party in January. We had people at the wedding that would normally not attend our Christmas Party in January, but said that they would if we would be hiring Modern Entertainment! Without them our wedding would have not gone as smoothly as it did, they were an hour early, incredibly polite, our guests loved them, and they gave an excellent performance, and played all of our guest's requests and seemed to read out minds on what we wanted for music on the dance floor!
